**Proceedings of the 28th Research-Extension Linkage Meeting,
KVK, Jagatsinghpur**

The 28th Research - Extension linkage meeting of KVK, Jagatsinghpur was held on 18.12.2018 at 3 PM in the Training hall of KVK under the Chairmanship of Sri Rama Chandra Nayak, DDA, Jagatsinghpur. The meeting was attended by Dr. Prasanna Samant, Sr. Scientist, (CZ, RRTTS, OUAT), Sri Gouranga Charan Swain, AHO and representative of ADH, Sri Balaram Subudhi, Agronomist and representative of DAO, Tirtol and progressive farmers from different blocks of the district.

Dr. Biswa Ranjan Pattanaik, Sr. Scientist & Head, KVK, Jagatsinghpur at the outset welcomed all the line department officials for their august presence. He presented the proceedings of the previous R-E linkage meeting and action taken report of KVK. He then requested the entire Heads of Line department to work in convergence mode in adopted villages of KVK, where the DFI programme is operating. At least two entrepreneurs from DFI villages should be selected; those are at primitive stage, so that assistance from all the line departments along with KVK can be given to develop them as an established Entrepreneur.

The DDA, Jagatsinghpur requested to the Senior Scientist & Head, KVK, Jagatsinghpur to provide a list of selected entrepreneurs to him to attend the meeting on Mukhyamantri Krishi Udyog Yojna(MKUUY) to be held on dt.28.12.2018(Friday) at Sadbhabana gruha, O/O The Collectorate, Jagatsinghpur where officers from the APICOL and all bankers will remain present. He emphasized that doubling farmers income by 2022 can be achieved only through development of entrepreneurs. He told that a lot of govt. schemes are there for the entrepreneurs and they should take advantages of that. He also assured to give the odia script of different govt. schemes to KVK for wide circulation.

Mrs. Rajshree Biswal, a women entrepreneur of village-Jagannathpur is presently engaged in mushroom production and poultry farming but she is interested in dairy farming. She had contacted the VAS, Tirtol for preparing the dairy project. The VAS, Tirtol told him to come in the month of March. He also told her to contact the bank from which she wants to take loan. Senior Scientist & Head told that there is more profit in making paneer and also great demand in the district. Dr. Pravat Ku. Padhi informed the house that 4 litres of milk will be required to get 1 kg cheese. But Mr. Nrusingha Behera, farmer from the village-Saharadia told there will be loss in paneer making from pure milk if skimmed powder is not mixed. Mrs. Biswal wanted to know if any assistance under any scheme is there for Mushroom Production. Sri Gourang Ch. Swain, AHO replied that presently there is no scheme on Mushroom production from dept. of Horticulture. He suggested to Mrs. Swain to go for mushroom spawn production which is in demand for the district. The Senior Scientist & Head suggested to start the dairy project with minimum 3 cattles.

The Agronomist, O/O The DAO, tirtol informed that majority of Agricultural loans is given by the Co-operatives. He informed that during this month, 20 pump sets to be supplied and 30 nos. of Seed treatment camp to be organized up to March-2019. Out of 30 Seed treatment camps, 12 nos.

for oilseed crops and 18 nos. for Pulses. Dr. P. K. Samant, Sr. Scientist, (CZ, RRTTS, OUAT) wanted to know whether the cultures are being used by the farmers. Agronomist replied that farmers are using the cultures. He informed the house that in Kujanga and Ersama block paddy crop has been affected by cutworms. Mr. Bijaya Kumar Routray, Scientist(PP) suggested the control measures for cutworms.

The Senior Scientist & Head, KVK, Jagatsinghpur suggested that entrepreneurs should make their mind set up for the enterprise which they want to take, then contact to the nearest bank and query about the documents needed by bank to provide loan.

Sri Nrusingha Charan Behera of village Teramanapur became sorry due to absence of the bankers. He told that bank is taking plea not to finance the entrepreneurs. He wanted to know the achievement of banks in providing agricultural loans. He told that the Govt. of India and the Govt. of Odisha stressing upon to double the income of farmers by 2022 but the bankers are not taking any interest.

Sri Debendra Swain of village- Dhinkia wanted to know there is any govt. assistance for beetlevine baraj. The AHO, Tirtol informed that shade-net and micro-irrigation can be provided under scheme. Sri Debendra Swain had applied for new beetle vine baraj but his name could not be included. The AHO asked him to apply fresh. He also informed that in 2014, as per the direction of then Collector the entire target was been given to village-Dhinkia.

The meeting ended with a vote of thanks by Mr. Bijaya Kumar Routray, Scientist (PP) to the Chair and participating members.
