Proceedings of the 22nd Research-Extension Linkage Meeting,

KVK, Jagatsinghpur

The 22nd Research-Extension Linkage Meeting of KVK, Jagatsinghpur was held on 12.04.2018 at 11.00 AM in the Training hall of KVK under the Chairmanship of Dr. Arundhati Sasmal, Sr. Scientist, RRTTS, CZ, OUAT, Bhubaneswar. The meeting was attended by AGM, NABARD, LDM (UCO Bank), District Fishery Officer, District Agriculture officer, Jagatsinghpur, BVO, Tirtol, Asst. Director Horticulture, Jagatsinghpur, Agronomist, Jagatsinghpur, and progressive farmer from different blocks of the district.

Mrs. Dipsika Paramjita, Sr. Scientist & Head (I/C), KVK, Jagatsinghpur at the outset welcomed all the line department officials for their august presence. She presented the proceedings of the previous meeting and action taken report of KVK then she presented the Action Plan for 2018-19 and Strategies and intervention taken for doubling the farmers' income.

AGM, NABARD emphasized on development of entrepreneurs in agriculture and allied sector through bank finance and self finance. He instructed to arrange field visit of team comprising line department officials & KVK Scientists to the different IFS units, entrepreneurs site such as to identify the constraints if any perceived by the farmers.

Sri Laxman Sethi, Progressive vegetable grower of Raghunathpur block said that due to lack of irrigation the farmers are facing lots of problems in growing vegetables in Rabi season. AGM, NABARD and ADH advised him to opt for installation of solar pump set which is available at AAO, Raghunathpur under Govt. schemes.

ADH, Jagatsinghpur advised that KVK should organize vocational training programmes on entrepreneurship development through nursery business for income generation of rural youths. He also emphasized on promotion of cool chambers on cluster basis for keeping produce like capsicum, tomato at least one month to avoid distress sale.

DAO, Jagatsinghpur appreciated the performance of greengram HYV IPM 02-14 which has been taken under Cluster Demonstration by KVK in different blocks. KVK Scientist reported that there is no incidence of YMV in the season under Cluster Demonstration. He informed that this year paddy seed variety Kalachampa and other long duration varieties suitable for low land situation will be available through OSSC to the farmers.

Dr. Arandhati Sasmal, Sr. Scientist, RRTTS(CZ), Bhubaneswar suggested to consult the Scientist of AICRP on Forage of OUAT to take up some saline tolerant/shade loving fodder crop in demonstration programme of Animal Science discipline. She also suggested some IPM measures in the designed OFT programme.

BVO, Tirtol suggested popularization of Azolla and leguminous fodder for reducing feed cost in dairy animals. He also suggested upgradation of local non-descript goats with improved

goat breeds such as Beetal, Jamnapari breeds and measures such as awareness programme, deworming campaign, Ram rotation to conserve Kendrapara breed of sheep of Tirtol block.

LDM (UCO Bank) informed the KVK should indentify the entrepreneurship in different sectors and application with detail project report should be submitted to different bank for financing of the project.

Also AGM, NABARD emphasized on vocational training on mushroom cultivation as there is surplus market demand in the district and also suggested to include Joint Liability Group Members for training programme.

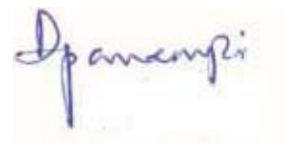

ADH, Tirtol gave a brief description about minimum requirement for establishing a pack house and cool chambers.

Sri Sachidananda Das of village Japa requested DFO to brief about establishing fish farming under the scheme ‘ Mo pokhari yojana’. He also requested regarding training to farmers on both pond & feed management. Then the DFO informed to the house about their ongoing training programmes and various lucrative short duration fishery schemes.

Sri Harekrushna Muduli of village Gamahpur expressed that due to lack of irrigation, farmers are facing problems in Rabi season and addressing issue AGM, NABARD and DAO advised to apply for a shallow tube well through Jalanidhi scheme through AAO, Raghunathpur.

All the participant appreciated the intervention of KVK in doubling farmers income in different AES and advised more nos. of compatible enterprises should be integrated for sustainable income and this model should be replicated in different blocks.

The meeting ended with a vote of thanks by Sri B.K.Routray, Scientist (Plant Protection) to the Chair and participating members.
