Proceedings of the 24th Research-Extension Linkage Meeting, KVK, Jagatsinghpur

The 24th Research-Extension Linkage meeting of KVK, Jagatsinghpur was held on 24.07.18 at 3 PM in the Training hall of KVK under the Chairmanship of Dr. P.K.Samanta, Sr.Scientist, CZ RRTTS, OUAT, Bhubaneswar. The meeting was attended by ADH, DAO (Tirtol & Jagatsinghpur), AFEO, Agronomist, BVO, Tirtol, Member of DIC, NGO and progressive farmer from different blocks of the district.

Dr. Biswa Ranjan Pattanaik, Sr. Scientist & Head, KVK, Jagatsinghpur at the outset welcomed all the line department officials for their august presence. He presented the proceedings of the previous meeting and action taken report of KVK. He then clearly mentioned the main aim of this meeting is to develop at least one entrepreneur and doubling the farmers' income by 2022.

Dr. P. K.Samanta, Sr. Scientist, CZ RRTTS, OUAT suggested to develop a pond based or crop based Integrated farming system model in a convergence mode including KVK and the entire line department. Agriculture, horticulture, veterinary components can be included and developed scientifically in already excavated pond those are registered under fishery scheme for fish farming. In this context, ADH, Jagatsinghpur gave his view that in case of Pond based IFS model, the excavated soil may not be suitable for horticultural crops. He then gave a brief description about various types of schemes operating in horticulture department. Particularly he insisted upon procuring cool chamber under the scheme.

The ADFO suggested to include few farmers of Ersama and Kujanga block in this Research-Extension Linkage Meeting as the farmers have developed the integrated farming system in a very unsystematic way. Therefore guidance of all the line department is needed to make their model a systematic and eye catching one. Farmers of the district can have an exposure visit to such IFS model. He also informed to the house that selling of fish spawn will start at Alipingal farm of Nadia Hatchery from 27th July, 18.

The member of DIC informed to the house that their department has got the provision of conducting ten days Entrepreneurship Development Training Programme benefitting about 120 numbers of beneficiaries of the district. Recently in June, 2018 Sri Santosh Kumar Pradhan of village – Sijhu, Kujanga Block has established one small scale industry of bakery product named as “ Numeris Bakery”. The project cost is 1.0 crore.

Sri Ajay Kumar Swain of Teramanapur village interested for vermicompost training. In this regard, The Senior Scientist & Head has given his consent to conduct the training programme on vermicomposting. Dr. P.K.Samanta also gave his technical view on Biofertilizer application.

Sri Suresh Chandra Swain of Dhinkia village requested the line department officials and KVK scientists to pay a visit to the village for monitoring the Betelvine cultivation and

accordingly suggesting some plant protection measures for control of disease and pest infestation.

The BVO, Tirtol briefly described about the requirement to establish a Goatery farm. Answering a question of failure in repeat breeding, He told that improper nutrition management leads to failure in repeat breeding. Deficiency of vitamins and mineral mixture is the main cause behind the above problem. This can be solved by forming a cluster of dairy animals in each village and accordingly conducting one animal health camp, thereby solving the different issues related to animals.

The DAO, Tirtol suggested to address the stem borer disease attack in Paddy. According to him, continuously since 4 to 5 years it has been seen that stem borer disease infestation will be definitely observed in Rice in the district. Therefore need of the hour is to taking some preventive measures before the disease infestation. In this context, The Senior Scientist & Head of KVK suggested that with the help of KMAS tool, training programme and Group meetings message can be communicated to farmers.

The scientists of KVK presented their action plan for the month of July, 18. The meeting ended with a vote of thanks by Mrs.D. Paramjita, Scientist (Ag.Engg) to the Chair and participating members.

A handwritten signature in blue ink, appearing to be 'Mrs. D. Paramjita', with a long horizontal line extending to the right.

SENIOR SCIENTIST & HEAD

List of Participant of 24th Research & Extension Linkage Meeting July 2018

Sl. No.	Name	Designation and Address
1	Dr. Prasanna Kumar Samanta	Sr. Scientist (Soil Science), RRTTS, Bhubaneswar
2	Mr. Ashok Kumar Mohanty	DAO, Tirtol, Jagatsinghpur
3	Mr. Prasanta Pattnaik	Addl. Fisheries Officer, Jagatsinghpur
4	Mr. Balaram Subudhi	Agronomist, Office of the DAO, Tirtol
5	Mr. Hrusikesh Behera	General Manager, DIC, Jagatsinghpur
6	Mr. Mihir Samantaray	ADH, Jagatsinghpur
7	Dr. D. Padhi	Block Veterinary Officer, Tirtol, Jagatsinghpur
8	Mrs. Laxmipriya Nayak	Member Secretary, UTSHARGA, Jagatsinghpur
9	Mr. Amarendra Mohapatra	Farmer, Village-Dhinkia
10	Mr. Iswar Chandra Swain	Farmer, Village-Dianpur
11	Mr. Ajaya Kumar Swain	Farmer, Village-Teramanpur
12	Mr. Nrusingha Charan Behera	Farmer, Village-Teramanpur
13	Mr. Suresh Swain	Farmer, Village-Dhinkia
14	Mr. Pramod Kumar Das	Farmer, Village-Mahammadbad
15	Dr. Prabhat Kumar Padhi	Scientist (Veterinary Science), KVK, Jagatsinghpur
16	Mr. Ashis Kumar Mohanty	Scientist (Horticulture), KVK, Jagatsinghpur
17	Mr. Bijaya Kumar Rautaray	Scientist (Plant Protection), KVK, Jagatsinghpur
18	Mrs. Dipsika Paramjita	Scientist (Agril. Engineering), KVK, Jagatsinghpur
19	Dr. Biswa Ranjan Pattanaik	Senior Scientist & Head, KVK, Jagatsinghpur
