The 23rd Research-Extension Linkage Meeting of KVK, Jagatsinghpur was held on 27.06.18 at 3 PM in the Training hall of KVK under the Chairmanship of Sri Narendra Kumar Behera, DDA, Jagatsinghpur. The meeting was attended by CDVO, DAO (Tirtol & Jagatsinghpur), AHO (Tirtol), Agronomist, AAO (O/O DDA, Jagatsinghpur), BVO, Tirtol, Financial Consultant, OLM and progressive farmer from different blocks of the district.

Dr. Biswa Ranjan Pattanaik, Sr.Scientist & Head, KVK, Jagatsinghpur at the outset welcomed all the line department officials for their august presence. He presented the proceedings of the previous meeting and action taken report of KVK. He then gave a proposal in the meeting to present the monthly action plan of each department. So that a convergence network can be achieved among all the institutions and it will help in both entrepreneurship development & increasing the farmers' income.

The DDA, Jagatsinghpur informed to the house that registration in PMFBY has already been started and the last date of registration for non loanee farmer is 31st July, 2018. He advised the participated farmers to register in PMFBY considering the changing climatic phenomena. He also suggested that integrated approach of all the line department is essentially needed to double the farmers' income. In this regard, OLM should be included, since at block level a block programme Manager of OLM is monitoring the block level activities. Therefore by gathering information from the entire department, a clear picture of agriculture scenario can be obtained. Accordingly location specific technical interventions will be advised for doubling the farmers' income.

Sri Asish Swain of village Nalara interested to start the Goatery farm with 150 numbers of goats. Then the CDVO suggested him to start the farm initially with 100 numbers of goats and informed to the house about technical requirements to establish the goat farm & avail loan. The BVO, Tirtol suggested to the progressive farmers that it is better to prepare the DPR before consulting with bank.

The AAO, Jagatsinghpur informed to the house that by adopting farm mechanization in different stages i.e from sowing to crop processing , the cost of production can be reduced which in turn automatically increases the income of farmers.

The CDVO requested the financial consultant of OLM to provide the list of Kriushi Mitra and Prani Mitra, so that their service can be utilized during any natural calamity situation. He has been agreed to provide the list in next meeting. Then he wanted to know regarding procedure of availing of subsidy on purchase of farm implement by SHG group. In this context, DDA, Jagatsinghpur informed that a resolution is to be made on authorizing one member of SHG as representative, accordingly subsidy can be availed.

The meeting ended with a vote of thanks by Mrs.D. Paramjita, Scientist (Ag.Engg) to the Chair and participating members.
