SENIOR SCIENTIST & HEAD

**Proceedings of the 36th Research-Extension Linkage Meeting,
KVK, Jagatsinghpur**

The 36th Research - Extension linkage meeting of KVK, Jagatsinghpur was held on 05.08.2020 at 11AM in the Training hall of KVK in virtual platform under the Chairmanship of Dr. Biswa Ranjan Pattanaik, Senior Scientist & Head, KVK, Jagatsinghpur. The meeting was attended by Prof. Pravat Kumar Sadangi-ADR, RRTTS, Coastal Zone, Bhubaneswar, ADO-Tirtol, DDM-NABARD, Jagatsinghpur, CDVO-Jagatsinghpur, DFO-Jagatsinghpur, Asst. Executive Engineer-Irrigation-Jagatsinghpur, Secretary-NGO-USTARGA, Horticulturist-Tirtol, Nodal Officer from Reliance Foundation and three progressive farmers from different blocks of the district.

Dr. Biswa Ranjan Pattanaik, Sr. Scientist & Head, KVK, Jagatsinghpur at the outset welcomed all the line department officials for their august presence. He presented the Action Plan for the ongoing Kharif season and action taken report of KVK. He then requested the entire Heads of Line department to work in convergence mode in adopted villages of KVK, where the DFI programme is operating. He requested the CDVO, Jagatsinghpur to conduct A.I. programme in DFI villages of KVK.

Prof. Pravat Kumar Sadangi-ADR, RRTTS, Coastal Zone, Bhubaneswar suggested to facilitate Training and FLD programmes following SOP of COVID-19. He requested the CDVO-Jagatsinghpur to conduct A.I. programmes in DFI villages of KVK. He also suggested to KVK to give technical supports to line department as and when necessary. As per the suggestion of DDM-NABARD the ADR requested KVK to implement Seed village programme and also to popularise LCC method in a large scale. He also emphasized on use of Farm machinery due to shortage of labour. He wanted to know the major disease & pest problems in rice in Jagatsinghpur district. He suggested to implement new technology like Biofloc in DFID villages. As per the suggestion of the Nodal Officer of Reliance Foundation he agreed to inform the DEE, OUAT, Bhubaneswar regarding the formation of YouTube on new technologies by KVK.

DDM-NABARD, Jagatsinghpur agreed for convergence with KVK regarding formation of FPOs. Seed replacement ratio is less in Jagatsinghpur district. So he suggested to form seed villages by KVK. He emphasized on awareness programme on use of Organic manures and popularization of LCC method in large scale. He assured that NABARD will cooperate KVK in the above activities.

CDVO, Jagatsinghpur told that A.I. programme is running in DFID villages. He agreed to work with KVK in convergence mode in DFID villages of KVK.

ADO-Tirtol told that in all eight blocks a pilot project on soil testing is being conducted and 1500 soil samples have been tested. He requested to take help of KVK Scientists in this project.

The District Fisheries Officer told that they have seven programmes and agreed to implement the programmes with KVK in DFID villages of KVK. Biofloc is new technology and good return has been obtained from other states. This can be also popularized in our district.

Horticulturist-Tirtol told that they are working with SHGs in eleven villages. She agreed to work in COVID packages in DFID villages of KVK.

Nodal Officer from Reliance Foundation told that he has a good linkage with KVK since the year,2013. They are conducting various programmes like video conferencing, Voice message, Crop advisories in print media in collaboration with KVK. He appreciated the initiative of KVK through digital platform during this pandemic COVID situation.

The scientists of KVK actively participated during the discussion. The meeting ended with a vote of thanks by Mr. B.K. Routray, Scientist (Plant Protection) to the Chair and participating members.
